

Project Design Phase-II

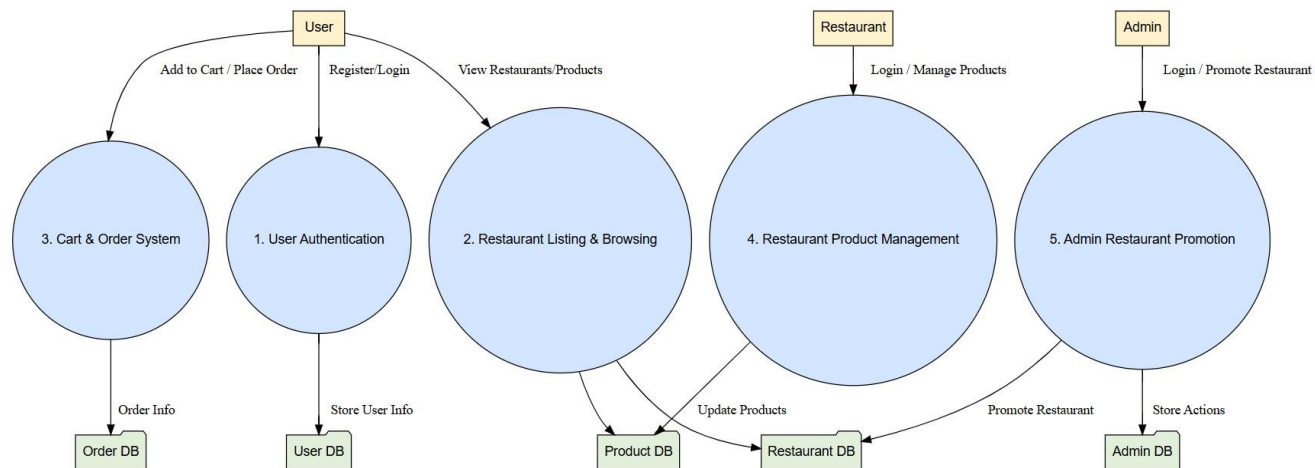

Data Flow Diagram & User Stories

Date	26-05-2025
Team ID	LTVIP2025TMID24694
Project Name	<i>OrderOnTheGo</i>
Maximum Marks	4 Marks

Data Flow Diagrams:

A **Data Flow Diagram (DFD)** for *OrderOnTheGo* illustrates how users (customers, restaurant owners, and admins) interact with the system, and how data moves across major components like registration, cart, order management, and promotion. It also shows how each user type accesses and updates different data stores (like products, orders, and users).

Example: DFD Level 0 (Industry Standard)

User Stories

User Story Table – Freelance Finder

User Type	Functional Requirement (Epic)	User Story / Task	Acceptance Criteria	Priority	Release
User	User Authentication	As a user, I can sign up and log in securely.	Account created and token issued on login.	High	Sprint1
